Mountain Weather Forecast

Brecon Beacons National Park

Forecast valid from 00:00 on Sunday 17 Jan 2021 until 23:59 on Monday 18 Jan 2021

Forecast Issued on Saturday 16 Jan 2021 at 15:08

Confidence: High for limited showers Sunday and early Monday, also for turning more unsettled with more frequent showers and longer periods of rain, sleet and snow thereafter, but lowering confidence in the detail of timing and extent of the worst of the weather.

Headline for Sunday 17 Jan 2021: Isolated showers and brighter spells. Cold at height.

Forecast for Sunday 17 Jan 2021

Weather: A mix of showers of clear, then bright or sunny spells for Sunday. Showers will be quite isolated through the day, turning wintry above around 700m. Also with plenty of higher cloud around the sunshine will frequently be restricted to brighter spells.

Chance of cloud free mountain/hill tops above 600m: 90% with bases generally above the summits, perhaps lowering 500-600m, particularly as the isolated showers push through.

Visibility: Good or very good, falling to a handful of kilometres in showers.

15:00 on Sat 16 Jan 2021	13.6mm	13.6mm	19.4mm

Forecast for Monday 18 Jan 2021

Weather: Some limited brighter spells and a few isolated light showers at first. Cloud thickening from the west from mid-day with periods of rain reaching all during the evening, falling as snow across higher summits.

Maximum wind: Southwest 25-30mph with gusts reaching 40-45mph across most exposed ridges and summits.

Chance of cloud free mountain/hill tops above 600m: 90% at first with bases only fleetingly lowering across the summits, chiefly as showers occur, lowering to virtually nil during the evening as bases become extensive from 450-600m.

Visibility: By day generally good or very good, falling to a handful of kilometres in showers, then more generally in later rain and summit snow.

Temperature: **Valleys:** Zero Celsius increasing plus 7 Celsius during the afternoon
At 600m: Plus 1 Celsius increasing plus 4 Celsius later
Freezing level: 700m rising 1200m later
